

CongreLicious

To all Congress 2014 delegates, some St. Catharines downtown restaurants have a special welcome for you. It's called CongreLicious — a tasty collection of fixed-price offerings put together especially for Congress 2014. Just visit any of the participating restaurants to take advantage of friendly rates, menus that accommodate different dietary needs, and a wide variety of dining styles. CongreLicious is organized by Brock University and the St. Catharines Downtown Association.
